IMPERIUM SUNSEEKER PREDATOR 68

IMPERIUM is a 20-meter superyacht built in 2001 by the famous British shipyard Sunseeker. With her sweeping curves and spirited performance, the Predator 68 is a stunning motor yacht that is guaranteed to please. Luxuriously appointed, there is plenty of space for sunbathing and socializing. The interiors are beautifully crafted and finished in cherry wood.

IMPERIUM's interior layout can comfortably accommodate up to 4 guests overnight in two luxurious staterooms.

This makes her perfect for a day charter but also extremely comfortable for an entire week.

On the left, there's a white cabin structure with a red fire extinguisher mounted on it. In the center, a long table is covered with a white tablecloth and is elegantly set for a meal. It features a centerpiece of white flowers, several plates of food including bread, olives, and fruit (oranges and kiwis), and glassware. To the right of the table is a blue and white cushioned sofa. The background shows a vast blue sea under a clear sky, with distant land visible on the horizon. The overall atmosphere is one of luxury and relaxation.
